

## 2023 MLK Holiday Weekend of Service: United We Serve

### Service Project Ideas:

- As Dr. King worked towards building the Beloved Community, he highlighted the importance of partnership. "Connect & Listen" to your local community as you plan your MLK service! Do a quick search to see what volunteer programs are already being planned and how your MH community can help support. The most impactful service is done in deep partnership.
- **For US Communities:**
  - AmeriCorps has volunteer projects [HERE](#) and service ideas [HERE](#)
  - Search [Volunteermatch.org](https://www.volunteermatch.org) for local opportunities
- **Virtual Service:** (can join from anywhere in the world!)  
Although these opportunities are virtual, you can host an in-person program where your community takes part in the virtual opportunity from your Moishe House/Pod
  - [Hunger Free America MLK Serve-A-Thon](#) (in-persons & virtual)
  - [Repair the World](#) (in-persons & virtual)
- **For All Communities:**  
Host a service project that brings to life one of the many issue areas that MLK focused on to create a better world
  - [Food Justice](#) – cook and/or serve a meal at a local community center
  - [Education/Literacy](#)- create flashcards for a school/community center, join a story time, create bookmarks
  - [Beautify the Community](#)- a community clean-up, cemetery clean up, community gardening
  - [Immigration/Refugees](#)- connect with a local refugee resettlement organization to see what is most needed (maybe help set up an apartment, sort donations, cook a meal)

### Service Learning:
